Assistant Commissioner for Patents

Washington, D.C. 20231  
ATTN: PCT Legal Division

Dear Sir:

Pursuant to 37 C.F.R. §1.137 (b), Petitioner, the Applicant named in the referenced international application, respectfully petitions the Assistant Commissioner for Patents to revive said application as a pending application on the grounds that the delay of national entry was unintentional.

The unintentional abandonment occurred for failure to timely enter the U.S. National Phase of PCT prosecution under Chapter I by the deadline of March 27, 2000 due to a docketing mistake. The entire delay was unintentional.

Accompanying this Petition is a check in the amount of \$620 (small entity) required by §1.17 (m) for reviving this application for prosecution before the USPTO as a properly designated state under the Patent Cooperation Treaty.
